GalleristNY

Opening: "Bathers" at Morgan Lehman

Summer is all about the beach, water and flesh, and so this sounds like one great summer group show, focusing on that time-honored Modernist subject, the bather. Among the 13 young artists providing work are Gina Beavers, Melissa Brown (whose work is pictured), Hope Gangloff, Daniel Heidkamp, Ryan Schneider and Ruby Sky Stiler. —A.R.

Morgan Lehman, 535 West 22nd Street, New York, 6–8 p.m.
