BRUCE CONNER ASSEMBLAGES 1954 - 1963

Susan Inglett Gallery is pleased to present the early assemblage work of Bruce Conner, dated 1954 to 1963, from 11 January to 10 February 2007. The show is timed to coincide with the exhibition *Semina Culture* to open at the Grey Art Gallery, New York University 16 January. The two exhibitions provide a wonderful opportunity to examine the culture and community that produced the Beat Movement, along with the art of one of its most infamous practitioners.

BRUCE CONNER IS THE WORLD'S GREATEST ARTIST.
